

Vance Ginn, Ph.D.

**Free-Market Economist,
Acclaimed Podcast Host,
& Gifted Speaker**

Vance Ginn, Ph.D., is a free-market economist who extensively evaluates policies to let people prosper while equipping lawmakers and leaders nationwide with frameworks for practical solutions to modern problems.

Dr. Ginn is the founder and president of Ginn Economic Consulting, LLC. He is the host of the Let People Prosper Show podcast, where he facilitates thought-provoking discussions with acclaimed guests. His show has featured Congressman Chip Roy, Dr. John Cochrane, Amity Shlaes, Dr. Art Laffer, Dr. Jay Bhattacharya, Hannah Cox, Representative Brian Harrison, Dr. Judy Shelton, and many more.

After serving as the Chief Economist of the White House's Office of Management and Budget from June 2019 to May 2020 and working in academia and think tanks, he now works as a trusted consultant to think tanks, politicians, and leaders across the country.

Speaking Topics

- Economic Freedom and Human Flourishing
- Sustainable Budgeting by the Federal, State, and Local Governments
- Pro-Growth Tax Reform and Limited Government
- Tradeoffs of Growth, Inflation, and Interest Rates
