COMMENTS:

Really enjoyed the class, only because Professor Ginn made it interesting. The subject can be really boring but the way he presented it was great. I really liked the current events assignments because its interesting information that I wouldn't have learned about & I am not a good test taker so it helps my grade.

He is one of the best teachers I have had at TTU I struggled with micro, and I am doing very well in macro due to Mr. Ginn. I liked the CE because it informs me of things I wouldn't otherwise know.
