

# Vance Ginn

Free Market Economist, Policy Entrepreneur,  
and Podcast Host

Vance Ginn, Ph.D., is a nationally recognized economist and devout advocate for free-market principles that promote economic growth, opportunity, and fiscal responsibility. As **founder of Ginn Economic Consulting** and **host of the Let People Prosper Show** podcast, Vance collaborates with **more than 20 influential organizations** across America to advance pro-growth policies that let people prosper.

Dr. Ginn is a **former chief economist at the first Trump White House's Office of Management and Budget**. His expertise spans sustainable budgeting, tax relief, labor markets, education freedom, patient empowerment, and more, crafting key local, state, and federal reforms. Frequently featured in major media outlets, Dr. Ginn's insights translate complex economic topics into simple, actionable paths to unlock poverty.

Raised in a lower-income, single-mother household in South Houston, Texas, he is a **first-generation college graduate** who earned his **doctorate in economics from Texas Tech University**. He lives near Austin, Texas, with his family and is committed to fostering prosperity and freedom for all.
